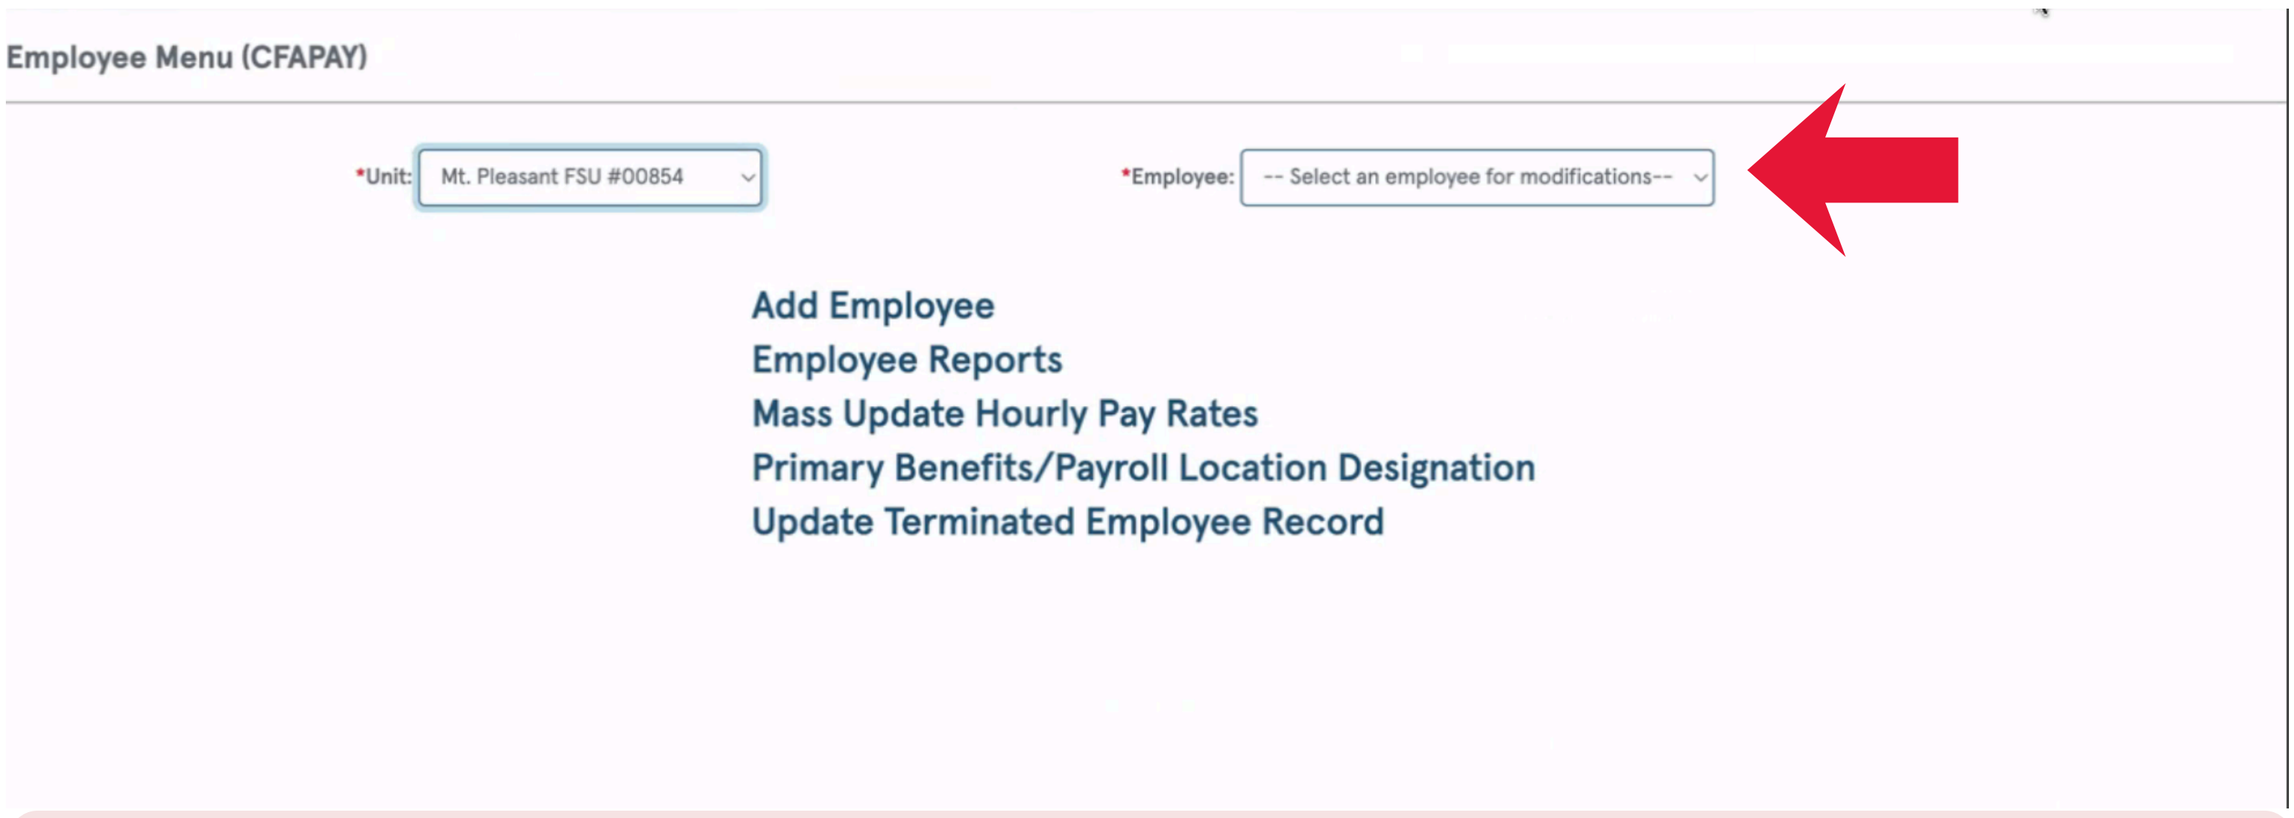
How to Set Up your HSA Contributions

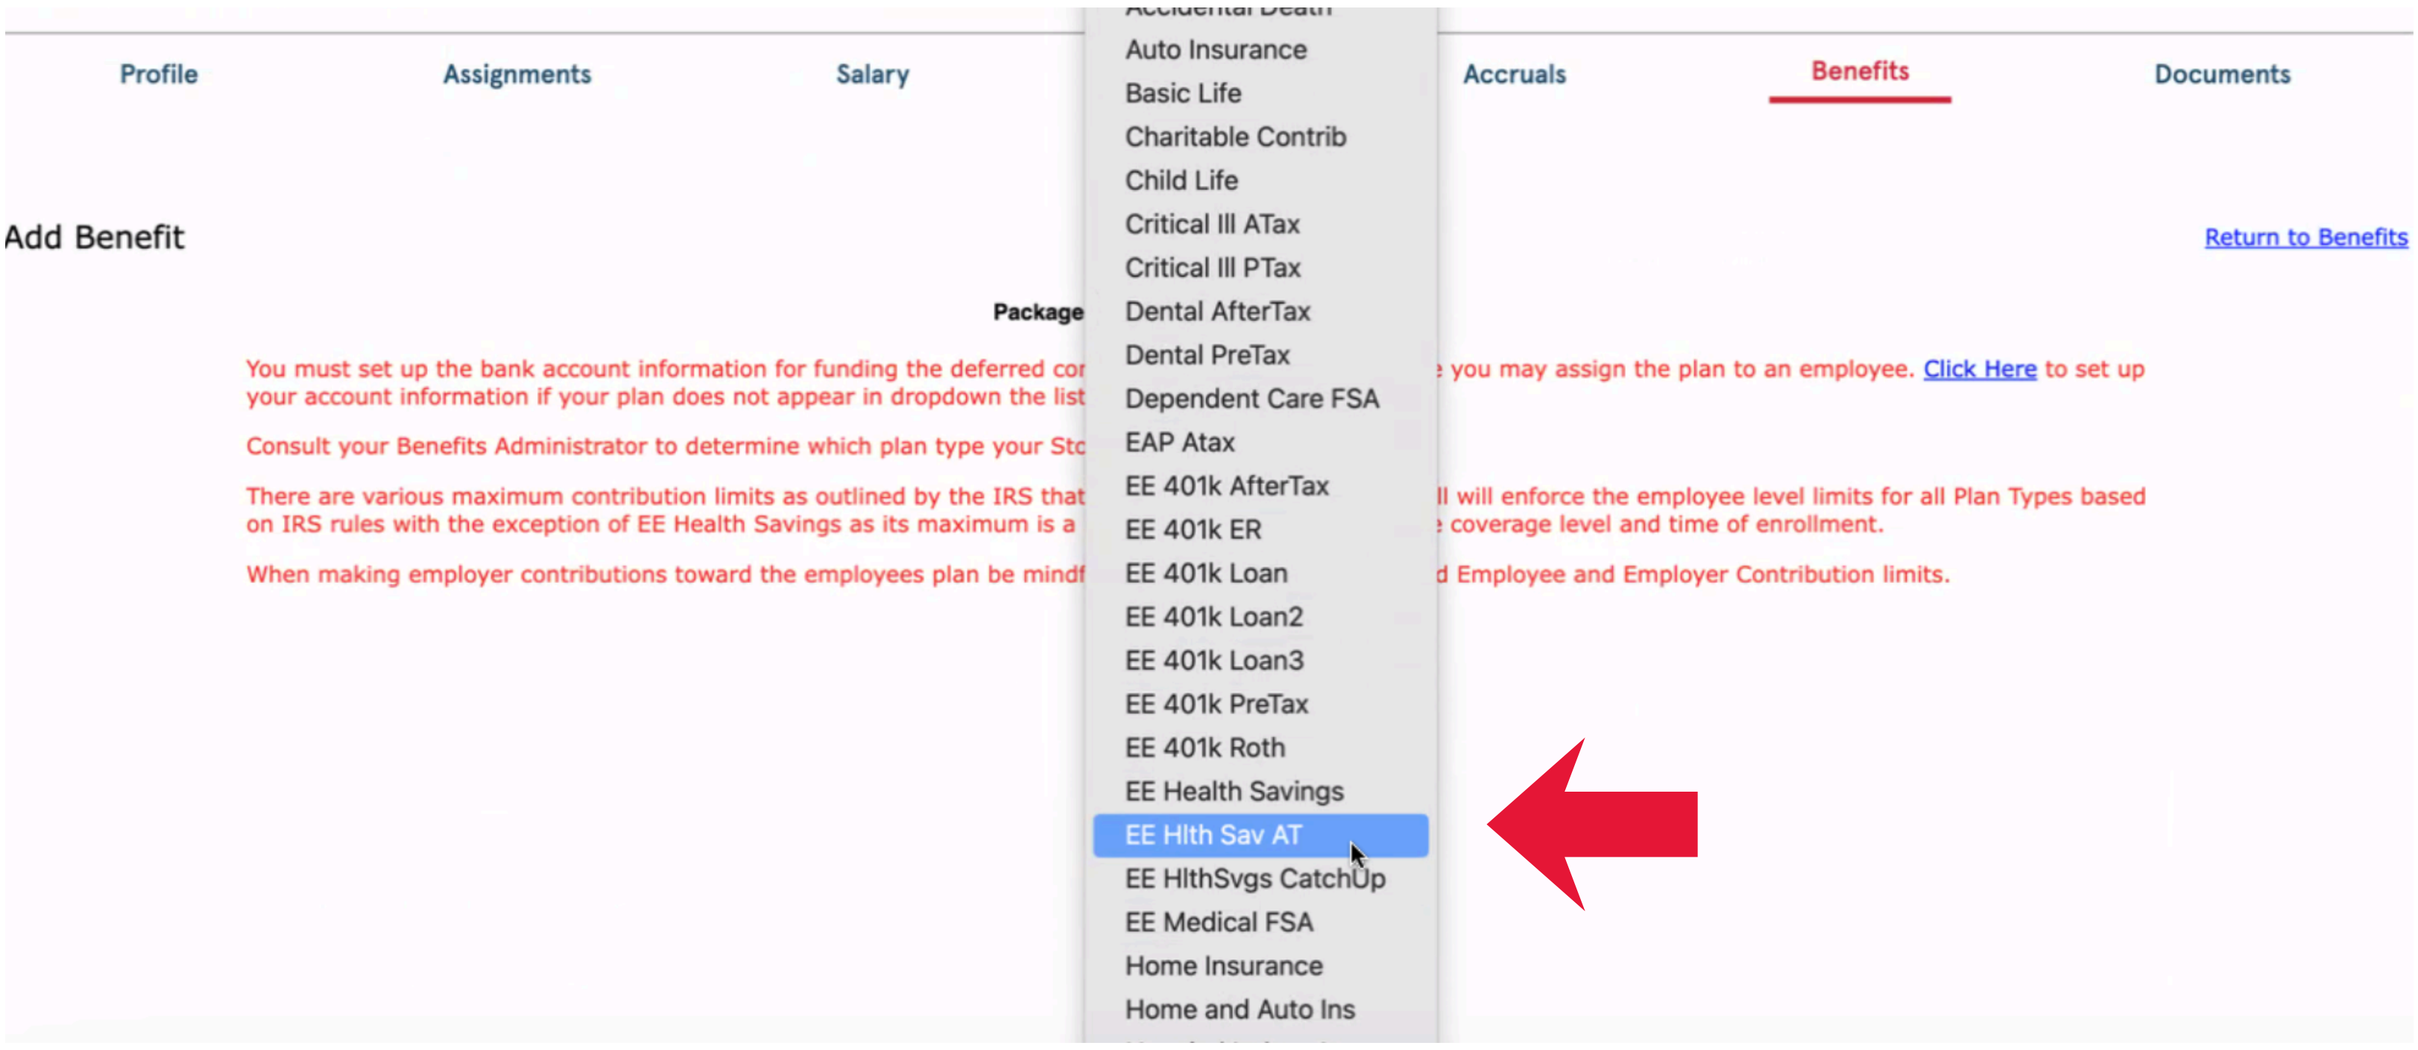
Chick-fil-A has informed us that there is an additional step needed for your HSA contribution. If you already have an HSA that is NOT Voya, please let us know.

1. Navigate to HR Payroll and select yourself from the Dropdown list

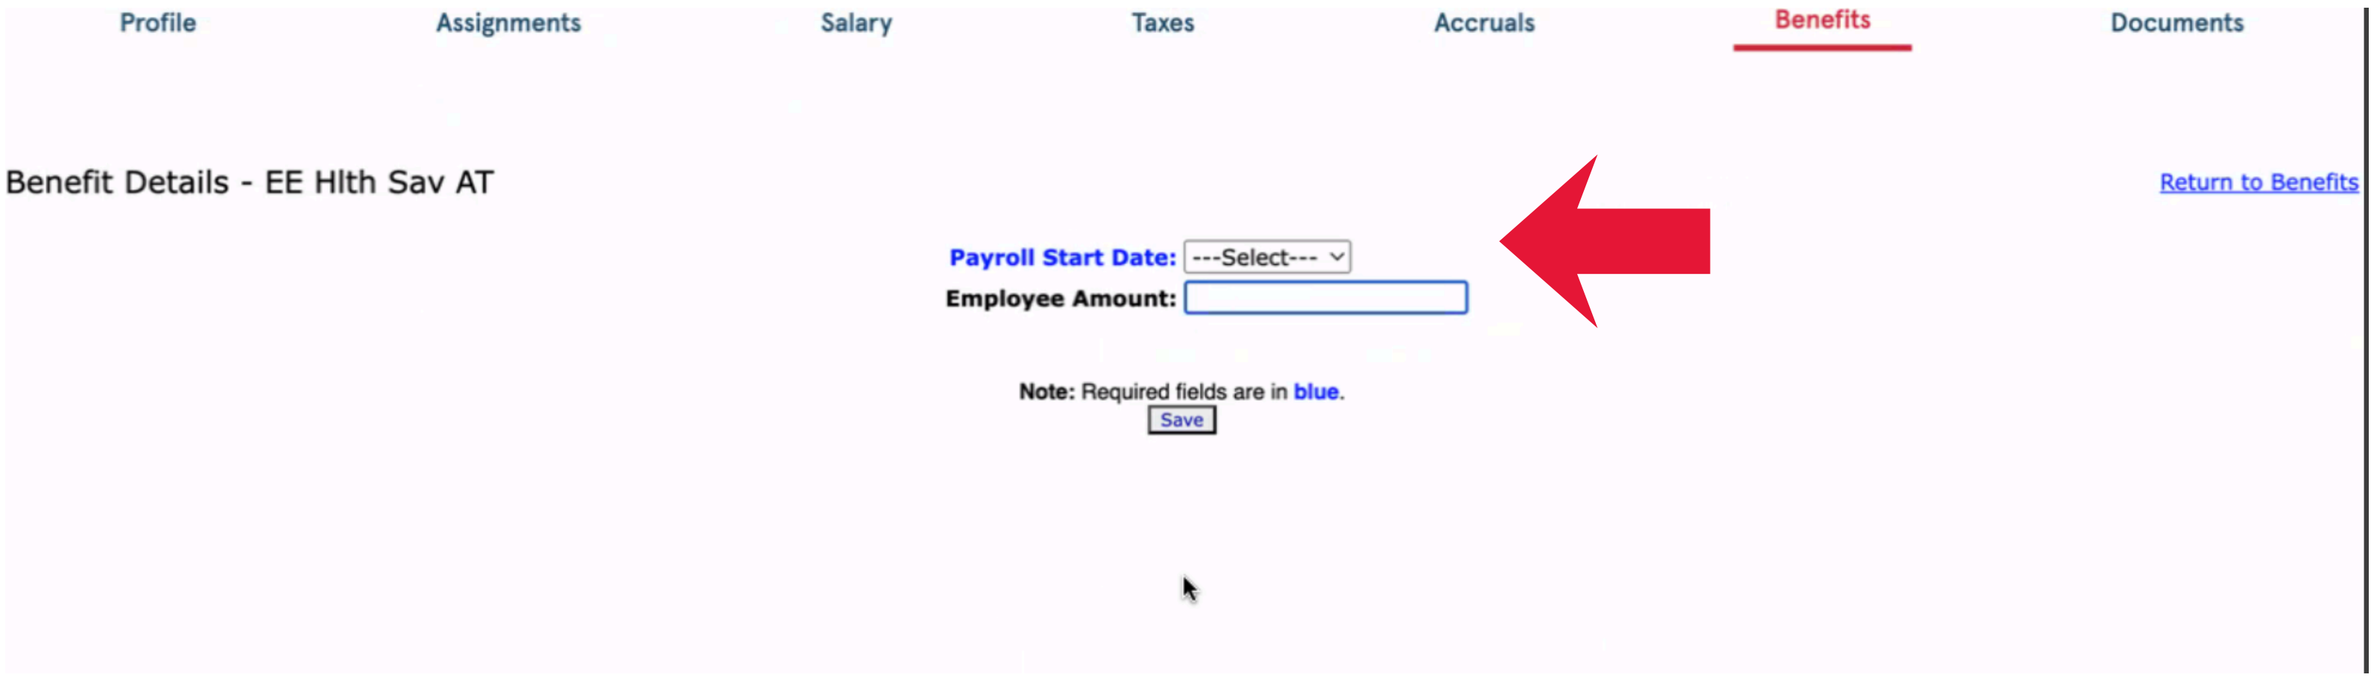


2. Select ‘Modify Employee Benefits’

3. From the dropdown list, select ‘EE Hlth Sav AT’



4. Input the Payroll Start Date and the Employee Amount expressed to you by the GIOA representative



If you have any questions, email us at help@gioa411.com - or schedule a Zoom Meeting using this link if you would like to discuss further

FAQ’s

I have an outside HSA account separate from GIOA , what do I need to do?

- Please notify us so we can cancel your election in VOYA. Email gioa411.com to notify us.

What do I do if I have not been deducted for my HSA?

- You will receive a call to assist you with activating your HSA contribution. You can also schedule a call here.

How can I change my contribution?

- To make changes to your contributions through Voya Financial via GIOA, call 855-915-3015. Please note that HSA contribution amounts can be adjusted at any time during the year.

Where can I get more information on the HSA?

- Watch for an upcoming announcement regarding a new date for Operator training on HSA enrollment and contributions. All Operators in the Health Purple Plan will receive an invite.

If you have any questions, please feel free to reach out at 855-GIOA411.
